Standard Operating Procedures (SOPs)- Submission of Research Proposals

1. Purpose

The purpose of these SOPs is to establish a standardized mechanism for the preparation, review, endorsement, and submission of research proposals by faculty members, ensuring compliance with funding agency requirements, and effective coordination through the Office of Research, Innovation and Commercialization (ORIC).

2. Scope

These SOPs apply to all regular, contractual, and adjunct faculty members of the University submitting research proposals to:

- i. HEC
- ii. Government Departments
- iii. National and International Funding Agencies
- iv. Industry or Donor-Funded Programs

3. Role and Responsibilities

3.1 Office of Research, Innovation & Commercialization (ORIC)

- Identification and Advertisement of relevant funding opportunities/agencies
- Institutional review and endorsement of research proposals
- Compliance with university policies and funding agency guidelines
- Review of proposals for compliance, budget accuracy, and institutional policies
- Facilitation regarding institutional endorsements and signatures
- Submission of proposals to funding agencies if required
- Record keeping, reporting, and post-award coordination

3.2 Faculty Member / Principal Investigator (PI)

- Prepare research proposals in accordance with agency guidelines
- Ensure timely submission of proposals through ORIC
- Maintain transparency and communication with ORIC at all stages

4. SOP for Proposal Submission

4.1 Intimation to ORIC

The faculty member must apprise ORIC in writing (email/official form) prior to the funding deadline. The intimation shall include:

- Title of the proposed research
- Funding agency and program
- Tentative budget and duration

4.2 Proposal Development

The PI shall prepare the proposal using prescribed templates of the funding agency and the University (if any). ORIC may provide guidance on budgeting, compliance, and intellectual property considerations upon request.

4.3 Submission for Review to ORIC

The complete proposal shall be submitted to ORIC at least a week before the deadline, along with all the necessary documentary evidences and attachments in accordance with the funding body requirements. ORIC shall review the proposal for:

- Compliance with funding agency requirements
- Documentary Evidences and Attachments
- Budget Demand
- Institutional commitments and risk factors

After successful review, ORIC shall obtain required institutional signatures.

4.4 Final Submission

Proposals requiring institutional submission shall be submitted by ORIC. For online submissions by the PI, ORIC shall be kept in copy and provided with:

- Submission Proof in the form of Confirmation Email/Submission Screenshot etc.
- Final version of the proposal

5. Post-Submission Obligations

The PI shall keep in loop ORIC about Proposal acceptance, rejection, or revision requests, and any correspondence from the funding agency

6. Effective Date

These SOPs shall come into force with immediate effect upon approval by the competent authority.
