

KUM Memorandum of Understanding (MOUs)

Proposed Draft

Prepared by:

Muhammad Raheel Anjum, Deputy Director
Office of Research Innovation and Commercialization
Kohsar University Murree

1 Preamble

- 1.1 In its commitment to academic excellence, innovation, and meaningful engagement across local, national, and international spheres, Kohsar University Murree (KUM) acknowledges that collaboration and partnership are essential catalysts for institutional development and societal advancement. To foster such cooperative relationships, the University establishes Memoranda of Understanding (MOUs) with a broad spectrum of organizations, institutions, and agencies that share its values and dedication to promoting education, research, and community service.
- 1.2 The KUM Memorandum of Understanding (MOUs) Policy establishes a comprehensive framework for the formulation, approval, execution, oversight, and renewal of all formal agreements between Kohsar University and external partners. It ensures that every MOU is consistent with the University's strategic priorities, adheres to its academic and ethical principles, and complies with all relevant laws, regulations, and institutional requirements.
- 1.3 Through this policy, KUM aims to uphold transparency, accountability, and reciprocity in all collaborative engagements, while protecting the University's integrity and reputation. The guidelines provided herein are designed to assist faculty, staff, and administrative units in developing partnerships that advance the University's mission, foster global knowledge exchange, and contribute to societal progress.

2 Objectives

- 2.1 To uphold transparency, accountability, and reciprocity in all collaborative engagements, while protecting the University's integrity and reputation.
- 2.2 To assist faculty, staff, and administrative units in developing partnerships that advance the University's mission, foster global knowledge exchange, and contribute to societal progress.
- 2.3 To establish a standardized framework for initiating, reviewing, approving, and monitoring MoUs to ensure maximum benefits to the university community.

3 Procedure for MoU Approval and Execution

- 3.1 When any KUM Department or individual is approached by an outside organization, the information is to be passed to ORIC, who will then arrange a meeting with the organization and proceed with the defined procedure of MOU signing.
- 3.2 ORIC will convene an initial meeting/consultation (Physical/Online/Email) with the external agency to deliberate on the broad domains of potential collaboration.
- 3.3 During the initial engagement, potential avenues of collaboration will be explored, and ORIC will forward the relevant information to concerned departments within KUM.
- 3.4 Based on the initial discussion, a draft MoU will be prepared and shared with relevant departments within KUM. After receiving inputs from relevant departments, the modified draft will be shared with outside agency and the final draft will be prepared.

- 3.5 ORIC will finalize the draft with the outside agency and the final draft MoU will be shared with Registrar Office and then with Vice Chancellor (VC) Office for approval.
- 3.6 Upon VC approval, ORIC will coordinate with the external organization to finalize the date and time for the MoU signing ceremony.
- 3.7 ORIC and the relevant KUM department will handle the preparation of the MoU Draft, the Program Plan, and the list of invitees, including their reception arrangements as per the directions of VC Office.
- 3.8 The IT department will ensure the handling of multimedia requirements if needed.
- 3.9 The Media Department will cover the event for photography and video coverage.
- 3.10 The relevant KUM department in cooperation with VC Secretariat staff will arrange the Refreshments/Bouquet etc. for the MOU signing ceremony.
- 3.11 The PS to Vice Chancellor will arrange KUM Crest /Memento for the guests.
- 3.12 Media Department will prepare and publish a post-event summary in the form of a press release/reports for social media dissemination.

3 MoU Subsequent Follow-Up Mechanism

The Office of Research, Innovation, and Commercialization (ORIC) along with the relevant KUM department will implement a structured follow-up mechanism for the Memorandum of Understanding (MoU). This will involve:

- 3.1 ORIC will outline key deliverables and responsibilities via email to all relevant stakeholders immediately after the MoU signing.
- 3.2 A designated focal person from the relevant department will be responsible for collecting and consolidating progress reports.
- 3.3 Annual review meeting will be conducted with other party to assess the overall impact of MoU, ensuring continued alignment with the university's strategic goals.
- 3.4 The Annual Report on MOU progress will be submitted by the concerned KUM department through ORIC to Vice Chancellor. Based on the findings, necessary corrective actions and strategic adjustments will be implemented to enhance the MoU's effectiveness.
- 3.5 For MoUs offering internships or job placements, ORIC will provide list of MoUs to Career Service/Placement Office. Subsequent coordination for internships with the external organization shall be managed by Placement Office.
- 3.6 The shortlisted students will be referred to Placement Office through the concerned KUM department for guidance and submission of pre and post-internship reports etc.
