Report on Compliance of RIPE Implementation Plans (2025-26)

1. Registrar Office (ESTB)

Sr. No.	RIPE Team Findings and Recommendations	Intended Corrective Actions	Responsible Body	Status/Recommendation/ Comments
1.	Develop a formal Strategic Plan to guide institutional growth and decision-making.	Constitute a Strategic Planning Committee to prepare a comprehensive Strategic Plan in consultation with all stakeholders; align with HEC guidelines.	Registrar office in collaboration with QEC, Academics, student affairs, controller of examination and treasurer office.	Strategic Plan to be formulated by making a timeline, and splitting into smaller steps, before approval by relevant statutory forums.
2.	Revise the organogram to accurately reflect governance structure; define clear Job Descriptions (JDs) and performance evaluation metrics.	Review and update organogram; develop and approve JDs for all positions; design performance evaluation metrics in line with best practices.	Registrar Office & HR Section	To be reviewed and revised and made as per approved statuses.
3.	Formulate an Additional Charge Policy outlining conditions, duration, approval process, and limitations, discouraging long-term dual charges.	Draft Additional Charge Policy; circulate for stakeholder review; obtain statutory approvals; implement policy.	Registrar Office & Treasurer Section	The task may be completed by designating focal person from relevant office(s), and splitting into small portions with achievements with definitive calendar dates. Prepare an initial draft in 01 month.
4.	Formulate and implement a Student Grievance Policy with a structured redressal mechanism to address student concerns.	Draft Student Grievance Policy in line with HEC model; establish grievance redressal committee; publish mechanism on official platforms	Registrar Office, Student Affairs, QEC	The Policy is in process of review, its final draft should be submitted in relevant statutory forums for approval, in the forthcoming meeting

5.	University lacks formal P&D framework; no PC-1 submitted; absence of trained staff in P&D section.	Establish dedicated P&D section; recruit/assign trained staff; initiate preparation and submission of PC-1 for priority projects; align with national funding protocols.	Registrar Office & P&D Section	The PC-1 has been prepared and submitted by P&D Office. Regarding trained staff, no considerable progress has been made due to lack of funds and financial matters of the university. The university needs to take the matter up with relevant office and arrange/ensure availability of trained staff.

2. Human Resource Department

Sr. No	RIPE Team Findings and Recommendations	Intended Corrective Actions	Responsible Body	Status/Recommendation/Comments
1.	Formulate Comprehensive HR Policy, Faculty Retention and Promotion Policies, Faculty Development Policy, Rotation Policy, Mentorship Policy, and Conflict of Interest Policy	Draft and approve these policies in consultation with all stakeholders; align with HEC best practices; publish on university website	HR Section & Registrar Office	HR Policy is not revised for comprehensiveness. It may be formulated with inclusion of all aspects of HR. It is proposed that HR policy may be divided into smaller/relevant areas for timely implementation. The HR Policy already adapted by university may be revised to add the mentioned sections in one single policy document. It is also proposed that a specific item may also be added at a suitable stage in the document which allows up-dation of university policy as per revisions in HEC guidelines, from time to time.

5. Office of Research Innovation & Commercialization (ORIC)

Sr. No.	RIPE Team Findings and Recommendations	Intended Corrective Actions	Responsible Body	Status/Recommendation/Comments
1.	ORIC must be well-versed in HEC policies, including journal classifications, indexing standards, and publication criteria to guide and support faculty effectively and MOU modality with Industry.	Faculty would be made aware about HEC Publication Policies, journal classifications, indexing standards, and publication criteria	ORIC, QEC, Registrar Office	Relevant policies are developed/adapted and have been shared with Academic Council for formal approval. Faculty awareness sessions may be conducted.
2.	Establish an International Research Network (IRN) by compiling contact details of all international collaborators and supervisors (PhD, MS/MPhil) and engaging them during QS and other global ranking surveys.	International Research Network (IRN) would be compiled with contact details of international supervisors and collaborators	ORIC, QEC, Academic Office	A small network has been created. To make it more vibrant, a letter in writing should be sent to university faculty, with the request to share relevant contacts to create IRN for collaboration, joint research, international ranking etc.
3.	Implement a strict publication incentive policy where only JCR-listed publications and externally funded projects qualify for rewards (e.g., course exemptions, monetary awards), promoting quality research output.	Faculty Research Incentive Policy already exists, as per listed recommendations, and is being implemented.	ORIC, QEC, Registrar Office	The Policy already exists, and has been revised. Custodians of the policy may process the same for approval by relevant statutory forums.
